STRATFORD FESTIVAL

The Stratford Festival is a theatre festival which runs from April to October. North America's largest classical repertory theatre company. Each season, they present a dozen or more productions in four distinctive venues. They produce classics, contemporary dramas and musicals, with special emphasis on the plays of Shakespeare.

This Territory is governed by two treaties. The first is the dish With One Spoon Wampum Belt Covenant of 1701, made between the Anishinaabe and the Haudenosaunee Confederacy, an agreement to set violence aside and peacefully share and care for the land in the Great Lakes Basin. The second is the Huron Tract Treaty of 1827, an agreement made by eighteen Anishinaabek Chiefs and the Canada Company, an agency of the British Crown.

We wish to honour the ancestral guardians of this land and its waterways: the Anishinaabe, the Haudenosaunee Confederacy, the Wendat, and the Attiawandronk. Today many Indigenous peoples continue to call this land home and act as its stewards, and this responsibility extends to all peoples to share and care for this land for generations to come.
